- Executive positions held
- Committee positions held
- Involvement in special projects
- Volunteering in other club/community activities
- Financial support
- Membership years

Selection would be made by the **current club executive**, only after receiving a written nomination from a member.

The Honourary Member would be honoured at the Annual Windup OR other club event as determined by the executive.

Not all nominations necessarily selected.

If a nomination is not selected in a particular year, it can be re-submitted the following year.

The executive's selection is final and 90% of the executive must vote in favour to select the member nominated. Please accept their decision.

This is an **HONOURARY SELECTION** and as such should honour the **MOST OUTSTANDING CONTRIBUTIONS.**
